

We are a promotional marketing company promoting a well sort after quality product to prolong the life of a vehicles engine. Although sometimes things can go wrong we guarantee a complete engine overhaul 100% cost free should you encounter any internal mechanical failure breakages.

Our aim is to bring workshops on board who affiliates to our program. Inturn we direct our customers to the nearest associated or we deliver your vehicle to them should any workshop be fully booked on the day of your service.

If you have serviced your vehicle at your centre recently and your service is due in a few months you can still get immediate cover on your engine.a fee of 250 is charged. Your vehicle must be drivable to one of our workshops for verification purposes.

We will repair or replace any internal broken parts including wear and tear parts in order to overhaul your engine, all this 100% cost free should you experience any internal mechanical failure.

Your vehicle must be serviced by a helix service participating workshop and must be serviced at the scheduled service intervals to maintain your rewards cover.

When you report to us of a mechanical breakdown you will pay R2500 for stripping, diagnosing and accessing the causes of the problem. Your rewards cover does not cover vehicles that are rebuilt or modified from the manufacturers warranty also vehicles that have been abused or over reved.

We reserve the right to refuse to repair any vehicle should there be any disputes, disagreements or misunderstanding. We do not cover consequential loss or damages. All vehicles left on these premises are at the owners risk.

All vehicles left on our premises after completion after 14 days will incure storage costs of R100.00 per day or will be taken to a storage facility. Including vehicles left after being notified to collect should there be any disputes provided the stripping costs are paid in full.
